- VI. Undergraduate Education Study of Eastern Illinois University, (88-99).  
Dr. Bates moved and Dr. Buchanan seconded the motion to add a resolution to Agenda Item 89-3. The motion passed unanimously.

These traits and abilities are not exclusive of all others, nor are they as a set, or any one of them, justification for any specific course or set of courses. Instead they are considered as traits and abilities that the University wishes to encourage through general education.

Dr. Weidner passed a recommendation sheet to the Council as to how they should start with the requirements. The Council discussed the definition of "integrated core." Dr. Baumgardner suggested that the Council decide on the philosophy of "integrated core," which is on page 25 of the SUE document. Dr. Weidner suggested that some of the members develop proposals on how to develop general education requirements for the meeting next week.

The meeting adjourned at 3:20.

#### EXECUTIVE ACTION

February 7, 1989

The following item was approved by Executive Action.

Substitute TED 3103 for INT 3003 in the Energy/Power concentration for Technology Education majors.

This course is needed to meet state certification requirements for those students desiring a concentration in Energy/Power.
